This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

EXPLANATION.

This Catalogue contains all the books added during the period May, 1884 to January, 1888. Authors, titles and subjects are entered in one alphabet. All entries are made under the author's name, when known; pseudonyms appearing only when the real name could not be found.

British noblemen are alphabeted under the family name.

The use of abbreviations is illustrated by the following examples:

ed.=edition, editor; n.d.=no date; n.p.=no place; n.t.p.=no title-page; pp. = pages; pseud. = pseudonym; tr. = translator, translated, translation; v.d. = various dates; v.p. = various places.

In conformity with the recommendations of the American Library Association, the more common masculine and feminine fore-names have been abbreviated by means of a colon or two periods placed after the initial, *viz.*:

MASCULINE.		FEMININE.	
A:	Augustus	A..	Anna
B:	Benjamin	B..	Beatrice
C:	Charles	C..	Charlotte
D:	David	D..	Delia
E:	Edward	E..	Elizabeth

T:	Thomas	T..	Theresa
		U..	Ursula
		V..	Victoria
W:	William	W..	Wilhelmina
		Z..	Zenobia

Books are entered under the specific subject, cross references being made from general subjects to subordinate headings and to correlative subjects.

The contents of books are arranged either by volumes or by subjects, a significant word of each heading being printed in bold-faced nonpareil and alphabeted.

Fiction will be found under the heading English Fiction, p. 101; books for the younger readers under Juvenile Literature, p. 220.

Books in foreign languages are arranged under the names of the languages in which they are written, these names taking the alphabetic order, *viz*:

French Books,	p. 145.	Hebrew Books,	p. 196.
German "	p. 178.	Latin "	p. 230.
Greek "	p. 189.	Swedish "	p. 347.

A single star at the left of the shelf number signifies that the book can be taken home only by permission of the Librarian; two stars signify that the book cannot go out of the Library.

One aim of this supplementary catalogue has been to lay out the main lines of construction to be followed in the re-cataloguing of the entire Library; and a general acknowledgment of indebtedness is hereby expressed to the many libraries, the catalogues of which have been consulted, with a special acknowledgment to the Peabody Institute and to the Boston Athenæum.

Inasmuch as a card catalogue was prepared before the present Librarian took office, he takes this occasion to say that so little of the work left proved available for his purposes that all responsibility for the present publication rests solely with himself.

JOHN VANCE CHENEY,
Librarian.

San Francisco, May 1, 1889.

REGULATIONS.

(*Reprint of Borrowers' Hand-Book issued February, 1888.*)

OPEN DAYS AND HOURS.

The Library will be open every day from 9 A. M. to 9 P. M., except Sundays, legal holidays, and the evenings before Christmas and New Year's. On Sundays it will be open from 1 to 5 P. M.

It may, however, be closed at any time by action of the Trustees.

WHO MAY BECOME BORROWERS.

All residents of the City and County of San Francisco, twelve years of age and over, and all non-resident tax-payers of said city and county, may become borrowers.

HOW TO BECOME BORROWERS.

Apply at the Library for an application (*Form No. 25*), fill it out according to directions thereon, and return it.

Call again after two or more days, and, if the application be approved, a *card* will be issued which entitles the owner to full privileges of the Library for the period of two years from date of issue.

HOW TO DRAW A BOOK.

FOR HOME USE.—Fill out one of the *buff* blanks, provided for this purpose, with the name and address, *as on the borrower's card*, together with the shelf number of the desired book, as found in the Catalogue; then hand in at the Delivery Desk both the buff slip and card.

FOR USE IN THE LIBRARY.—Fill out a *pink* blank and hand in the slip only. If the book be delivered, hand in the door check.

RULES CONCERNING BOOKS.

THERE ARE THREE CLASSES OF BOOKS.

I. Books issued simply on presentation of card, or slip and door check, for use either at home or in the Library.

II. Books issued on card, or slip and door check, by permission of the Librarian.

III. Books issued on slip and door check only, and not to be taken out of the Library. Among these are: books of reference, books restricted by terms of gift, books not easily replaced, books deemed unsuitable for general circulation, unbound periodicals, and periodicals dating back more than five years. Books with purely medical contents will be issued only to adults, to medical students, and to physicians. The Librarian will exercise his discretion in granting the use of any books of the classes named in this paragraph. An appeal from his decision will always lie to the Trustees.

THE NUMBER OF BOOKS THAT MAY BE DRAWN AT ONE TIME.

Only one book at a time may be obtained for either home or Library use. An exception will be made when a single volume is of little service without others of the set to which it belongs.

HOW LONG A BOOK MAY BE RETAINED.

Books may be retained two weeks, if no other limit be set at the time of drawing, and may be renewed for the same period either by personal application or by letter; after which they cannot be again issued to the same borrower until they shall have been at least one day in the Library.

Books in the hands of borrowers are, however, always subject to recall for Library purposes.

Books must be returned at the expiration of the time for which they are issued, all days to be counted except the day of issue. If a book becomes due on a closed day, the time will be extended to the next open day.

FINE FOR BOOKS OVERDUE.

A fine of five cents will be imposed for each day that a book is overdue. Borrowers refusing to pay such fines will be denied the privileges of the Library.

FORBIDDEN.

I. Borrowers are forbidden to lend Library books, or to exchange them with other borrowers. Each book must be kept in the personal custody of the borrower, and returned on the card on which it was drawn.

II. Marking, writing in, or in any way defacing any Library book, pamphlet or paper, is strictly forbidden, and will subject the offender to the penalties of the law.

PENAL CODE.

Section 623 of the Penal Code reads:—

"And every person who maliciously cuts, tears, defaces, breaks or injures any book, map, chart, picture, engraving, statue, coin, medal, apparatus, or other work of literature, art or mechanics, or object of curiosity, deposited in any public library, gallery, museum, collection, fair or exhibition, is guilty of felony."

The Trustees offer a reward of fifty dollars for the detection and conviction of any person mutilating any book, periodical, pamphlet or journal belonging to the Library.

Borrowers finding any book or periodical defaced or mutilated, are required to report the fact to the Librarian before taking the book from the Library.

LOSS OR INJURY.

If a book belonging to a set be lost or injured, the book must be replaced, or the set paid for by the borrower.

Borrowers refusing to comply with this regulation will be denied the privileges of the Library, besides being held legally responsible.

RULES CONCERNING CARDS.

NOT TRANSFERABLE.

Cards may be transferred for the use of members of the owner's household only. When an infringement of this rule is detected, the card will be taken up.

CHANGE OF RESIDENCE.

Notice of change of residence of borrower or guarantor must be given immediately to the Secretary of the Library. Neglect to give this notice will subject the borrower to a forfeiture of privileges.

SURRENDER OF CARDS.

Cards must be surrendered at the Library when the holders cease to be residents or tax-payers of San Francisco.

LOST CARDS—DUPLICATE CARDS—TRIPLICATE CARDS.

If a borrower's card be lost, a duplicate may be issued upon a new application, indorsed by the same or another guarantor, two weeks after filing the application. If a duplicate card be lost, three months must elapse after notice to the Secretary and filing of new application, before a triplicate card can be issued.

Borrower's cards found in books or elsewhere must be returned to the Secretary.

Cards may be canceled at any time by the Secretary or Librarian.

LIABILITY OF THE GUARANTOR.

A guarantor is understood to guarantee the card issued on the application signed by him; and he is liable on his guaranty for all uses made of the card guaranteed, *until its return and cancellation.* If a book is not returned, or a fine not paid within ten days after due, the guarantor will be called upon to pay such fine or the value of such book.

MISCELLANEOUS.

THE DOOR CHECK.

Visitors, whether they have borrower's cards or not, must take a check from the door-keeper when they come in, and return it when they go out. *This door check must be kept*, and not laid down on the tables or elsewhere in the Library.

COMPLAINTS.

Complaints about the service of the Library must be made to the Librarian immediately after the occurrence of cause of complaint; and, if in writing, must be signed with the writer's name and address.

Complaints against the management of the Libary, or the conduct of any employé thereof, must be reduced to writing and submitted to the Trustees through their Secretary, who will place them before the Board at the earliest opportunity.

NO ADMITTANCE TO THE BOOK SHELVES.

No person other than an officer or employé will be admitted to the shelves or behind the Library railing unless by permission of the Trustees, or when invited by the Secretary or by the Librarian.

WRITING WITH INK.

All writing in the reading-room must be done with a pencil. The use of ink is forbidden.

ABUSE OF LIBRARY PRIVILEGES.

When, in the judgment of the Librarian, a violation of any of the rules of the Library demands summary action, he may cause the offender to be at once ejected, and excluded from the Library until such time as the Trustees may have opportunity to give final decision.

GIFTS.

The Trustees will gladly accept, for the Library, gifts of books and pamphlets of every description that may be of public interest.

On notice to the Librarian, packages in the city will be sent for.

Contributors living at a distance may forward at the expense of the Library.
